Pennies For Patients

Each year we participate in "Pennies For Patients" drive. Please support our efforts towards the community awareness finding a cure for Leukemia. With your help we can do this by allowing your child to bring a few coins each day to drop in a box in their classroom.

During class time the teachers talk about the children who need our

pennies to help them get the care they need. We also have a Peanuts video to help explain more about the cause. At the end of the drive we will have a school party to celebrate our participation in raising money for our local sponsor. This will run the whole month of February.

The child we are sponsoring is Kate All. She is a

6th grader who was diagnosed with leukemia last January.

Valentine's Day Party

On Tuesday, February 14th, all classes will have a class party starting at 9:30. Children will be exchanging valentines with their classmates. We will also be decorating a special snack.

We ask that you send a Valentine for each child in their class signed with your child's name only. Your child will need to bring the following amount for the class. All children are welcome.

- Barney Kids 5
- Goofy Goons 11
- Dalmatians 14
- Tiggers 14
- Whales 11

Dentist Visit

We are having someone from the dentist office of Dr. Joshua Solomon come to visit the children. They are going to teach the children the importance of good oral hygiene. They also will help discuss any fears the children might have going to the dentist.

Tax Season

Year-end statements are available upon request. Please notify Ms. Carolyn or Ms. Donna by dropping a note in the tuition box, or email...
